

# Arts & Culture Banner Instructions

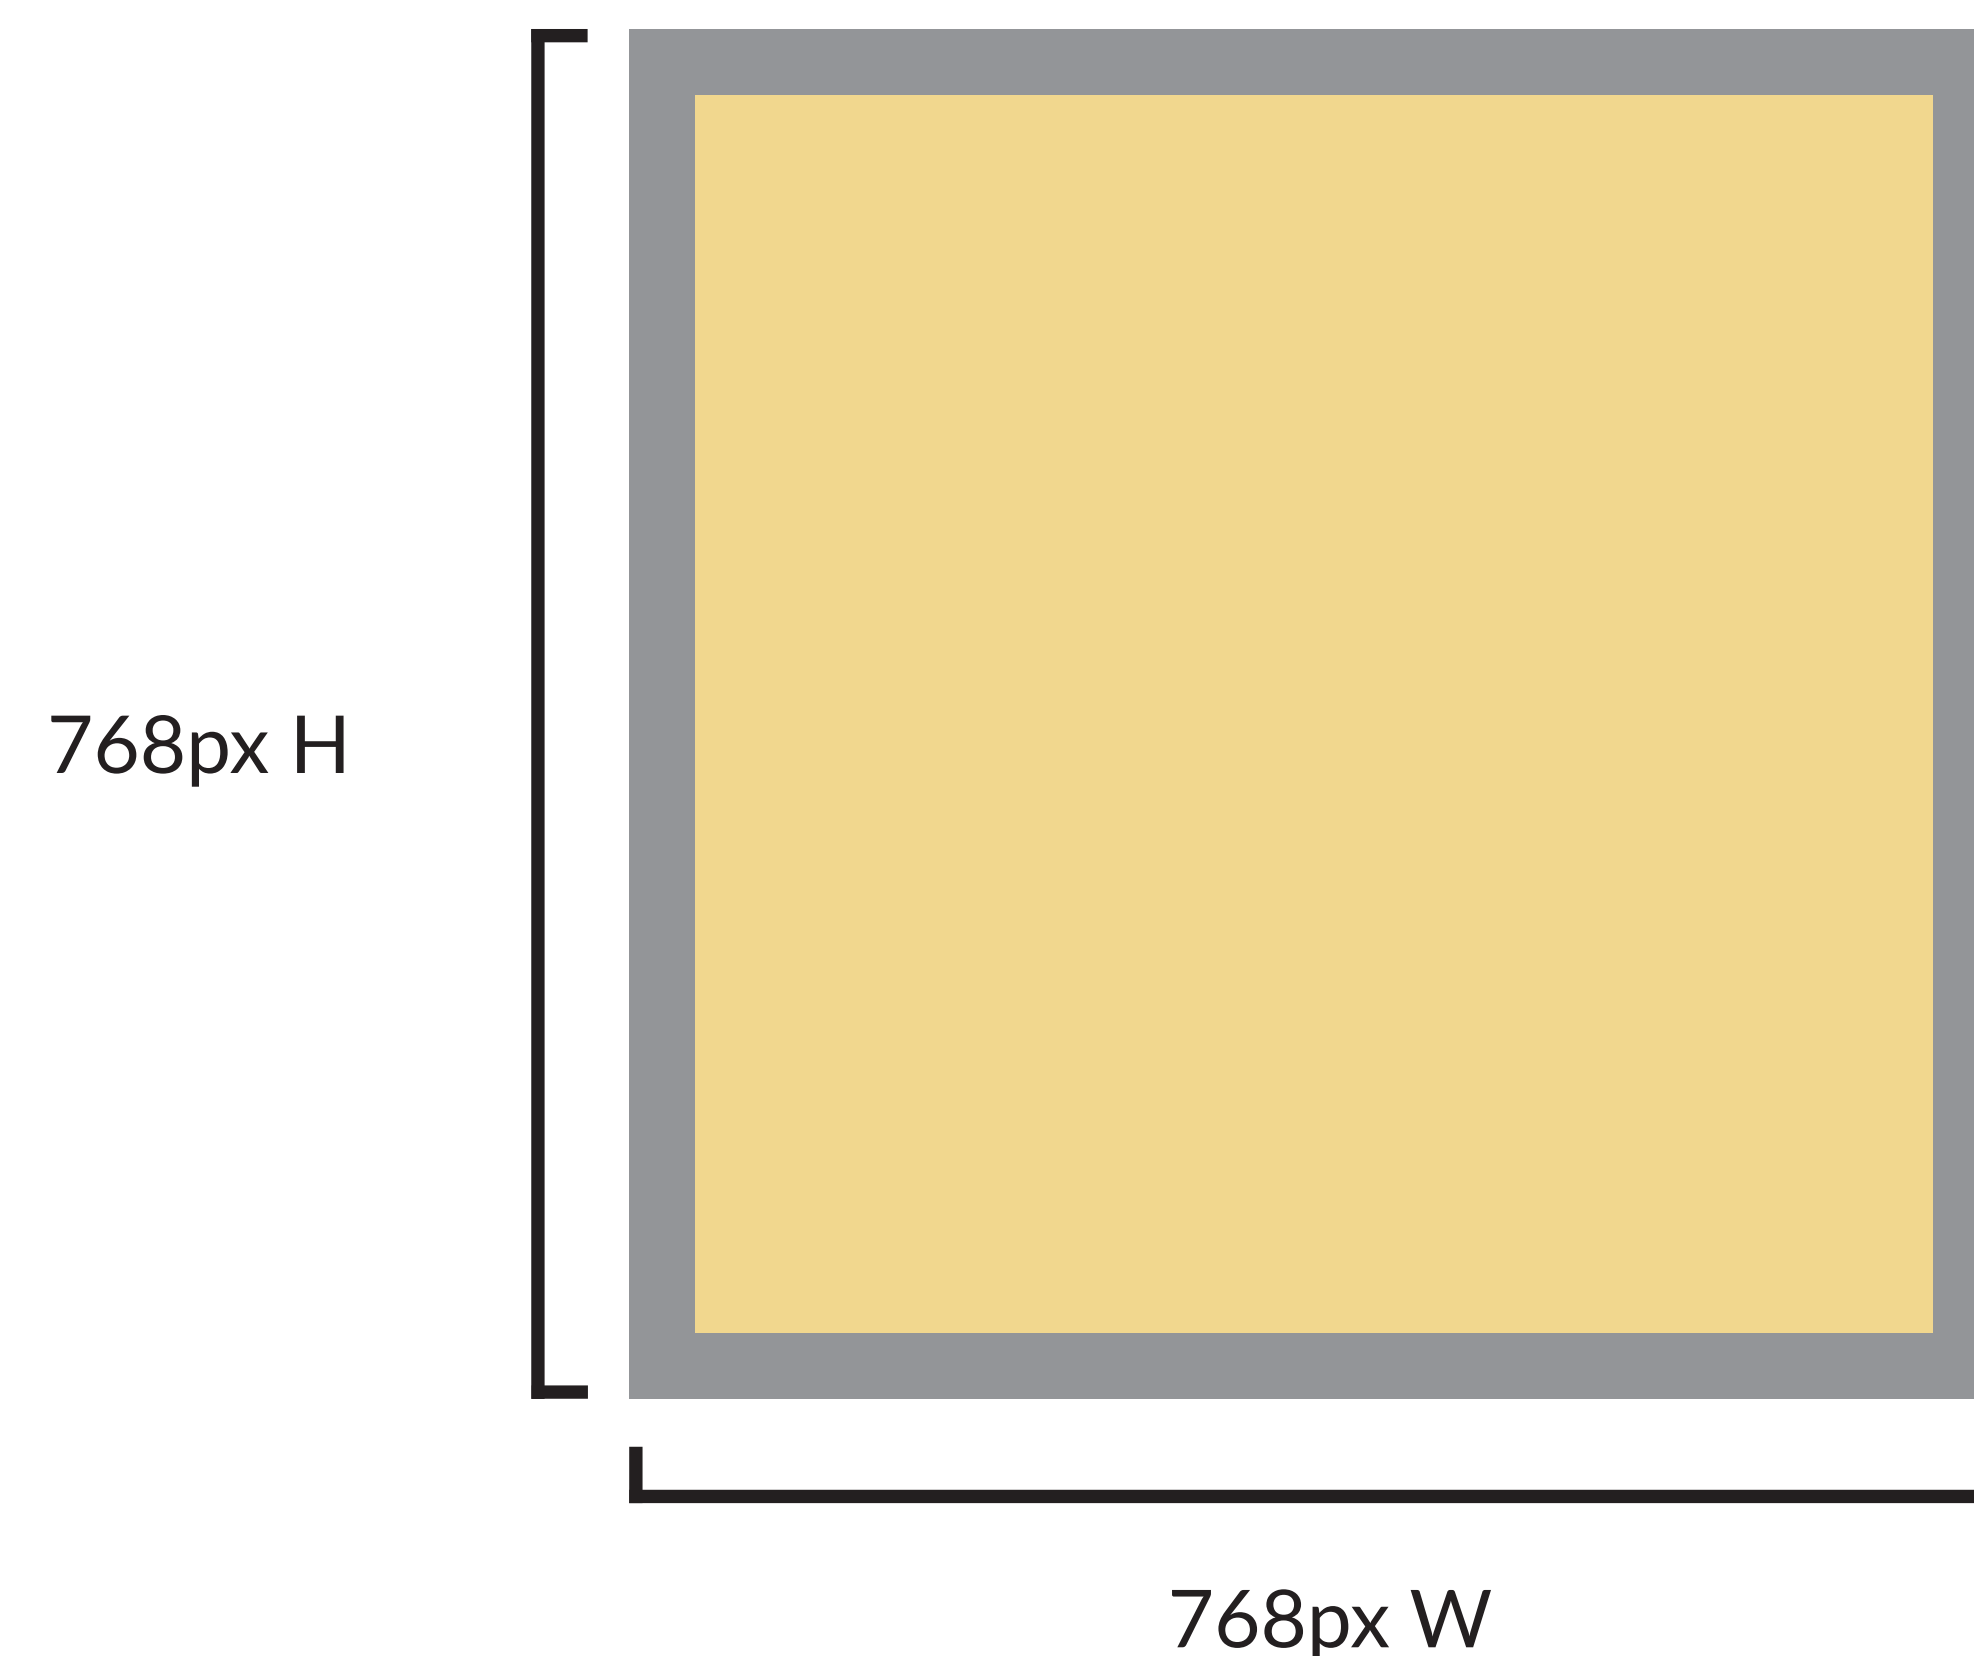

## DESKTOP BANNER LAYOUT

Overall desktop banner be **1920x360px** and should prominently feature: Event name, date/time, venue location. May also include pertinent show details such as presenting org name/logo, featured artists, etc.

**Please do NOT include:** ArtTix logo, web URLs, logos or text that will be too small to be seen on mobile, and in-depth show details found in show page.

## MOBILE BANNER LAYOUT

Overall mobile banner be **768x768px** and should prominently feature: Event name, date/time, venue location. May also include pertinent show details such as presenting org name/logo, featured artists, etc.

**Please do NOT include:** ArtTix logo, web URLs, logos or text that will be too small to be seen on mobile, and in-depth show details found in show page.

We recommend keeping a narrow border around your art without any important details. This space has no size requirements.
